Brief Description Of Services Offered

Counseling Services:

The Counseling Program provides professional individual and group counseling services to meet the needs of adult and teen victims who have experienced: Domestic Violence/Dating Violence, Rape/Sexual Assault, and/or Childhood Sexual Abuse and bystander Services for non-offending friends and family who want to help a loved one who is being or has been abused or assaulted.

At APC, we are committed to providing affordable, professional counseling for all adult and teen victims seeking help. For this reason, the Counseling Program operates on a sliding fee scale. Fees are determined by one's ability to pay based on an individual's income and current financial situation. No one will be refused counseling services due to an inability to pay.

24-Hour Crisis Line: (704) 481-0043

Our 24-Hour Crisis Line is available for victims of domestic violence, rape, and sexual assault.
