Brief Description Of Services Offered

Partners Behavioral Health Management is contracted by the North Carolina Department of Health and Human Services to operate as a Local Management Entity/Managed Care Organization for Burke, Catawba, Cleveland, Gaston, Iredell, Lincoln, Surry and Yadkin counties. We operate with a dynamic vision to better manage valued community services and linkages that support residents who receive mental health, substance abuse, and intellectual/developmental disabilities services through the 1915 (b)/(c) Medicaid Waiver.
