

North Carolina Department of Transportation Safe Routes to School Program Informational Workshops

Overview

The North Carolina Department of Transportation Division of Bicycle and Pedestrian Transportation is hosting regional workshops across the state to provide information about the Safe Routes to School (SRTS) Program.

This workshop provides an overview of the Safe Routes to School Program for North Carolina, including detailed information on the grants. The following topics are covered in each workshop session:

- Why Safe Routes to School Matter
- Overview of the Five E's: education, encouragement, enforcement, evaluation, and engineering
- Grant Guidelines and Application Process
- Action Plan Development and Why You Need One
- Question / Answer Forum

Municipal staff, school administrators and staff, transportation professionals, law enforcement officers, health professionals, advocates, PTA representatives and others are welcome to attend.
