RECOGNITION OF MARY PASS

Commissioners presented Mrs. Pass with a plaque recognizing her 15-years of dedicated service to Cleveland County children, through her service as Executive Director of the Cleveland County Girls Club. Mrs. Pass retired July 15, 2005.

PLANNING DEPARTMENT: MINIMUM HOUSING CODE ENFORCEMENT – 332 GORRELL STREET – CENTAUR CONCRETE PLACEMENT AND FINISHING (Tabled from June 6, 2006 meeting)

Mr. McCarter reviewed that Commissioners had tabled a decision on this case until this meeting in order to allow the property owners an opportunity to determine if they wanted to repair the dwelling and, if so, a timeline for completing the work. Commissioners also requested the property owners be present at this meeting.

Mr. McCarter advised he had visited the property today and the dwelling has been “secured with plywood and the lot has been cleared” – he was unable inspect the interior.

He reviewed the history of this case and the steps leading to this point; discussed “nuisance” code which addresses such things as overgrown yards; and, Health Department citations regarding “immediate health hazards.”

Charles and Denise Allen, who are the property owners, advised they live in Charlotte and “didn’t get the first letter” due to having moved; stated they purchased the property with the intent of “renovating and make available to someone who would appreciate the home.” They stated that have replaced many things, which were then vandalized, such as electrical outlets, doors, plumbing, light fixtures and the electrical panel. Mr. and Mrs. Allen told Commissioner they became “discouraged” after the home was vandalized, but are now ready to attempt renovations again and are in the process of “putting a renter there during the repairs” to prohibit further vandalism. They anticipate completion by the “end of August.”

ACTION: Mary Accor made the motion, seconded by Jerry Self, and unanimously adopted by the Board, to table a decision on this case until the regular Commission meeting of September 5, 2006.

PLANNING DEPARTMENT: MINIMUM HOUSING CODE ENFORCEMENT – 390 PREYER STREET – MACKEY FAMILY IRREVOCABLE TRUST (Tabled from June 6, 2006 meeting)

Mr. McCarter reported Mr. Mackey has “done work inside and out” and several Commissioners advised they had visited the site.

Winfred Mackey stated he intents to, within the next 90-days, get outside renovations completed and requested another 90-day extension.

Bob Yelton, County Attorney, stated Mr. Mackey paid $1,000 toward the outstanding taxes on the property after the last meeting. Mr. Mackey gave him a check during this meeting which he said was for the balance of the taxes owed on this property. Mr. Yelton said he would have to check his records to determine if this was the correct amount.

ACTION: Johnny Hutchins made the motion, seconded by Willie McIntosh, and unanimously adopted by the Board, to table a decision on this case until the regular meeting of the Commission to
be held on September 19, 2006. Mr. Mackey was instructed to provide an “ongoing report” to Mr. McCarter during that 90-day period and that Commissioners expected him to appear at that Commission meeting to “show it has been brought up-to-code.”

PLANNING DEPARTMENT: MINIMUM HOUSING CODE ENFORCEMENT – 2410 PLEASANT HILL CHURCH ROAD – ALICE KAY SAULTS

Mr. McCarter reported that a public hearing was held on January 30, 2004 regarding this case and the owner was allowed 90-days to demolish these dwellings. The order was issued on February 4, 2004 and expired on May 4, 2004. He said a recent inspection revealed “it is apparent that no action has been taken to remove or demolish these dwellings.”

He said he mailed the owner a copy of tonight’s agenda. The owner has not contacted him, but he has received numerous complaints from the neighbors.

ACTION: Mary Accor made the motion, seconded by Johnny Hutchins, and unanimously adopted by the Board, to adopt the following order.

CLEVELAND COUNTY
NORTH CAROLINA

AN ORDINANCE AUTHORIZING THE CODE ENFORCEMENT OFFICER TO DEMOLISH MOBILE HOMES AT 2410 PLEASANT HILL CHURCH ROAD

WHEREAS, pursuant to the provisions of Chapter 160A, Article 19, Part 6 of the North Carolina General Statutes, four (4) mobile homes located at 2410 Pleasant Hill Church Road, Cleveland County, North Carolina have been inspected and found to be unfit for human habitation and to otherwise constitute a danger to persons and a threat to the health and welfare of the citizens within County; and

WHEREAS, according to the procedures provided by law, the owner(s) of said property have been given notice of the aforesaid inspection, defective conditions, determination and order to bring said property into compliance with the minimum housing code of Cleveland County and the State of North Carolina by appropriate repair and/or demolition of said dilapidated dwelling(s); and

WHEREAS, the owner(s) have not complied with the Findings and Order by the Code Enforcement Officer within the period allowed by law; and

WHEREAS, the said dilapidated dwelling(s) remain at this time unfit for human habitation, dilapidated, and a danger to the health and safety of the citizens of Cleveland County and should be demolished in order to prevent and alleviate such danger and dilapidated conditions;

NOW, THEREFORE, BE IT ORDAINED BY THE CLEVELAND COUNTY BOARD OF COMMISSIONERS that the dilapidated mobile homes located at 2410 Pleasant Hill Church Road and now or formerly owned by Alice Kay Saults, shall be demolished, and a lien placed against the property for the costs incurred by the county as provided by GS160A-446(6).

Adopted and approved this the 20th day of June 2006 by the Cleveland County Board of Commissioners in open session.

PLANNING DEPARTMENT: PRELIMINARY PAVING ASSESSMENT – TWIN LAKE (Schedule public hearing for July 18, 2006)

Mr. McCarter reviewed the petition requesting Twin Lake be paved and the property owners be assessed at an equal rate per lot to pave the street in accordance with NCDOT standards. He advised the bid process for this project has revealed an estimated cost of $15,000 per lot.
There was discussion regarding delaying this public hearing, since the next regular meeting will be held in Lawndale and the possible problems with property owners having to drive that far. Commissioners also expressed concern that property owners be clearly advised about the amount of the assessment. There was also discussion regarding the pros and cons of “tailoring” the agenda of “community meeting” as that may defeat the purpose of holding regular meetings in this fashion.

**ACTION:** Johnny Hutchins made the motion, seconded by Jerry Self, and adopted by a majority vote of the Board (Commissioner Accor voted no; all others voted yes), to schedule the public hearing for July 18, 2006, at 6:00 p.m. at the Lawndale Community Center.
