REGULAR AGENDA

RESOLUTION DESIGNATING RECOVERY ZONE (CONFERENCE CENTER AND SHELBY MIDDLE SCHOOL PROJECTS)

County Finance Director Chris Crepps explained that the county must designate the sites of the Conference Center and the new Shelby Middle School as recovery zones for purposes of the Recovery
Zone Act and the sale of recovery zone facility bonds. Mr. Crepps explained that he is requesting Commissioners designate the entire county as a recovery zone based on the unemployment rate and general distress of the county. The construction of these projects will promote economic development activity. In his request, Mr. Crepps recommended that officers including David Dear, Kerri Melton and Bob Yelton be authorized and directed to take all actions as may be required in furtherance of the designation of the recovery zone.

**ACTION:** Ronnie Hawkins made the motion, seconded by Mary Accor and unanimously adopted by the board to adopt the following resolution designating Cleveland County as a Recovery Zone.

**RESOLUTION DESIGNATING RECOVERY ZONE**

WHEREAS, the American Recovery and Reinvestment Act of 2009 (Pub. L. No. 111-5) (“ARRA”) modifies the Internal Revenue Code of 1986, as amended (the “Code”) to authorize, among others, two new types of bonds entitled “recovery zone economic development bonds” and “recovery zone facility bonds,” and

WHEREAS, recovery zone economic development bonds are a subcategory of taxable build America bonds (as defined in section 54AA(d) of the Code), issued under provisions of ARRA that have been codified as Section 1400U-2 of the Code, the proceeds of which are to be used for qualified economic development purposes in a recovery zone; and

WHEREAS, qualified economic development purpose includes expenditures for the purpose of promoting development or other economic activity in a recovery zone, including capital expenditures for property located in the zone or expenditures for public infrastructure and construction of public facilities in the zone; and

WHEREAS, ARRA also authorizes a new type of federally tax exempt private activity bonds entitled “recovery zone facility bonds” in Sections 1400U-1 and 1400U-3 of the Code to finance construction, renovation, or acquisition of depreciable property by a private taxpayer of a qualified business in a recovery zone, with “qualified business” defined to include any trade or business other than residential rental property and certain prohibited uses outlined in the Code; and

WHEREAS, sections 1440U-2 through 1400U-3 of the Code, and related Notice 2009-50 issued by the U.S. Treasury Department (collectively, the “Recovery Zone Act”) define a recovery zone as any area designated by the County as an area of significant poverty, unemployment, rate of home foreclosure, or general distress; and

WHEREAS, the Board of County Commissioners of Cleveland County, North Carolina has determined to finance and construct a new multi-use facility for use by the County, Cleveland Community College, and Cleveland County Board of Education (d/b/a Cleveland County Schools) and has determined that this facility will promote development and other economic activity, including providing an educated and trained workforce, providing construction jobs, and attracting jobs and development near the facility; and

WHEREAS, the Board of Commissioners has determined to explore financing the multi-use facility with Recovery Zone Economic Development Bonds, which requires the Board to designate the area in which that facility will be located as a “recovery zone” under the federal American Recovery and Reinvestment Act of 2009;

WHEREAS, the County has determined that the entire County has experienced significant unemployment and general distress due to the local, state, regional, and national recessions, the factors that led to the recessions, and the repercussions from the recessions;

WHEREAS, the County has determined that it is in the best interest of the County and its citizens to designate the entire County as a “recovery zone” for purposes of the Recovery Zone Act and the American Recovery and Reinvestment Act of 2009;

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the County of Cleveland, North Carolina, that:

1. The County hereby finds that there is significant unemployment and general distress in the entire area of Cleveland County, and, therefore, hereby designates the entire area of Cleveland County as a recovery zone for purposes of the Recovery Zone Act.

**SUGGESTED RULES OF PROCEDURE FOR PUBLIC HEARINGS**

At their November 17th regular meeting, Commissioners reviewed **Suggested Rules of Procedure for Public Hearings** which was written by County Attorney Bob Yelton.

Commissioners recommended several changes and asked Attorney Yelton to present a revised document to them for approval at their December 1, 2009 regular meeting. Commissioner Hawkins noted, “I think that this takes away the authority of the board chair. I feel like the procedures are cumbersome to the chair. I suggest that we put them on the table for a specific amount of time to see how they work.”

Currently, Commissioners follow **Suggested Rules of Procedure for the Board of County Commissioners** written by Joseph Ferrell. Commissioner Hawkins suggested that these procedures be re-adopted by Commissioners in addition to the **Suggested Rules of Procedure for Public Hearings** at the first meeting in December of even election years. Commissioner Hutchins viewed the procedures as, “a way to know what to follow. This is laying a pattern that gives the chair more order to the meeting.”

**ACTION:** Johnny Hutchins made the motion, seconded by Eddie Holbrook, and
unanimously adopted by the Board, **to approve the suggested rules of procedure for public hearings
for a period of six-months at which time they will be re-evaluated** (copy found on Page ____ of
Minute Book 31).

**CLOSED SESSION**

**ACTION:** Ronnie Hawkins made the motion, which was seconded by Eddie Holbrook, and
unanimously adopted by the Board, to conduct a closed session regarding a legal matter, as allowed

**RECONVENE IN REGULAR SESSION**

Chairwoman Boggs reconvened in regular session and announced that no action was taken.

**COMMISSIONER REPORTS**
Mary Accor will be attending her first NACo Board of Directors meeting in Santa Rosa, California.

Johnny Hutchins attended the Rural Planning Organization meeting. He voiced concern over the state wanting to classify Cleveland County as a non-attainment area which would pose more restrictions on Cleveland County which could possibly harm economic development efforts. He asked that County Manager David Dear send a letter, on behalf of the Commissioners, in opposition of this designation.

Chairwoman Jo Boggs thanked Commissioners for giving her the opportunity to serve as chair again for the upcoming year. As Chair, she will be swearing in her husband, Gary Boggs, as Mayor of Fallston.

**ADJOURN**

There being no further business to come before the Board at this time, Mary Accor made the motion, seconded by Eddie Holbrook, and unanimously adopted by the Board, **to adjourn the meeting.**
