PUBLIC HEARING

JOINT PUBLIC HEARING REGARDING THE JOSHUA BEAM HOUSE

Planning Director Bill McCarter explained the purpose of the public hearing is to review an application submitted by Gordon Hamrick regarding the Joshua Beam House.

Mr. McCarter discussed the project. “Joshua Beam, son of John Teeter Beam, was born on July 16, 1800, in his father’s home on Buffalo Creek, then in Lincoln County. Teeter Beam died in 1807, leaving his widow, son Joshua, and his younger brother Aaron in the homestead (youngest of Teeter’s fifteen children). Widow Elizabeth Beam had 336 acres in dower rights- both sides of Buffalo Creek including the home site. In 1833 she began releasing her rights to the heirs of Teeter Beam and in the 1830’s, Joshua acquired the homestead, store, corn and sawmills that belonged to his father. The Beam house is significant in the history of Cleveland County because Joshua Beam was host for a gathering of leading citizens from Rutherford and Lincoln Counties to plan a petition to the NC General Assembly to organize a new county. The meeting was held on September 22, 1836. The legislation was approved
and the first session of court was held in Cleveland County in 1841. Beam was the first trustee and Justice of the Peace. In 1846 he was elected to the NC General Assembly. For many years, this farm remained in the Beam family. In 1980, the house, outbuildings and a 30 site was entered into the National Register of Historic Homes- a program of the National Park Service. The nomination was submitted by Sue Morris Hopper, Great-Great-Great-Granddaughter of Joshua Beam. The house and farm are currently owned by Gordon Hamrick, applicant for the Local Historic Landmark.”

Chairman Hutchins opened the public hearing (notice of this hearing was accomplished in accordance with the General Statutes in The Shelby Star on December 22 and 29, 2010).

Bob Smith, Chairman of the Historic Preservation Commission opened their public hearing.

Brian LeGrand spoke in favor of the application. “I am proud that they are doing this. My mother was Emma Jo Beam.”

Hearing no other comments, Chairman Hutchins declared the public hearing closed.

Bob Smith then closed the Public Hearing for the Historic Preservation Commission and recommended, on behalf of the Historic Preservation Commission, that Commissioners approve submittal of the Landmark Designation Application.

ACTION: Mary Accor made the motion, seconded by Eddie Holbrook, and unanimously adopted by the Board, to approve submittal of the Landmark Designation Application by adoption of the following ordinance:

Ordinance Designating A Local Historic Landmark
Joshua Beam House – 1920 New Prospect Church Road
Cleveland County, North Carolina

WHEREAS, Chapter 160A, Article 19, Part 3C of the North Carolina General Statutes provides for the designation of a local historic landmark; and

WHEREAS, the Cleveland County Board of Commissioners designated the Cleveland County Historic Preservation Commission as a joint commission on December 21, 2004, having the authority to exercise, within the planning jurisdiction of the County, all the powers and duties given it by the Cleveland County Historic Preservation Ordinance; and

WHEREAS, the Cleveland County Board of Commissioners has taken into full consideration all statements and information contained in the Landmark Designation Application for the Joshua Beam House; and

WHEREAS, the Joshua Beam House is significant in the history of Cleveland County: On September 22, 1836, leaders from Rutherford and Lincoln counties meet at this farm to petition the NC General Assembly to organize a new county called “Cleveland”. Cleveland County Court first met in this house in 1841. The house is also an example of antebellum development in the western Piedmont of North Carolina and the growing prosperity of its planter and business class in the decades before the Civil War; and

WHEREAS, notice of the Landmark Application was provided to the North Carolina Department of Cultural Resources, State Historic Preservation Office on November 18, 2010, and no comments were received; and

WHEREAS, the Cleveland County Historic Preservation Commission and the Cleveland County Board of Commissioners held a joint public hearing on January 4, 2011, having published public notice in the Shelby Star on December 22 and December 29, 2010, and mailed notice of the hearing to the applicant along with adjoining property owners by first class mail on December 22, 2010; and

NOW THEREFORE, by order of the Cleveland County Board of Commissioners: The property known as the Joshua Beam House located at 1920 New Prospect Church Road, within the planning jurisdiction of Cleveland County, North Carolina, is hereby designated as a Local Historic Landmark pursuant to Chapter 160A, Article 19, Part 3C of the North Carolina General Statutes and Section 12-404 of the Cleveland County Code.

This property is more specifically described as follows: The nominated property is a 30 acre parcel, which is a portion of the tract identified as tax parcel 24489.

BEGINNING at the northeast corner of the intersection of SR 1908 and SR 1923, following the eastern right-of-way line of SR 1923 in a northerly direction a distance of 600 feet, more or less, to the intersection of the SR 1923 right-of-way line and the southern boundary of Shalp (24487); thence in a southeasterly direction a distance of 2000 feet, more or less, with the southern boundary of Shalp (24487) M. This ordinance shall become effective upon adoption and approval.
Adopted this 4th day of January, 2011.

**ECONOMIC DEVELOPMENT INCENTIVE AGREEMENT: FAS CONTROLS, INC.**

Ken Mooney, Manager of Existing Industry Relations for the Cleveland County Chamber reviewed the incentive agreement for FAS Controls, Inc. (copy found on Page _____ of Minute Book ______). He noted that this project would create approximately 52 new, permanent full-time jobs and create approximately $1,500,000 in new taxable investment over a three-year period. The average wage paid to the new full-time employees associated with this project shall equal or exceed $9.50 per hour. Mr. Mooney thanked Commissioners for their past and continued support of businesses and noted that this was very competitive and without the local incentive grant and the NC One Grant, FAS Controls may have moved their operation to Mexico.

Chairman Hutchins opened the public hearing at 6:15 p.m. (notice of this hearing was accomplished in accordance with the General Statutes in The Shelby Star on December 23, 2010).

Michael Chrisawn, Cleveland Chamber President, spoke in favor of the incentive program. “On behalf of the Cleveland Chamber and its members, I stand in favor of this. It is great that we start a new year with this. The year 2011 looks very positive. I encourage you to award this incentive agreement.”

Hearing no other comments, Chairman Hutchins closed the public hearing at 6:20 p.m.

**ACTION:** Ronnie Hawkins made the motion, seconded by Eddie Holbrook and unanimously adopted by the board, to approve the incentive agreement for FAS Controls, Inc. as presented.

Chairman Hutchins stated, “Although the percentage of the grant is high, the grant term is low. After three years, FAS Controls will pay 100% of the property tax on this new investment. I also think that the creation of 52 jobs is a great thing for Cleveland County.”

**FALLSTON VOLUNTEER FIRE DEPARTMENT SERVICE DISTRICT**

Attorney Andrea Fite provided the following information to Commissioners: G.S. 69-25.11 provides that a fire protection district can be expanded (1) upon application of a two-thirds majority of the owners of property in the area to be included; (2) the approval of a majority of the members of the board of directors of the corporation furnishing fire protection to the district; and (3) the approval of the Board of County Commissioners. The first two requirements have been met.

The extension of this fire district was initiated by the Fallston Volunteer Fire Department and the citizens in the district. Extending this district will allow a lower insurance rating for those in the sixth mile and allows the Fallston Volunteer Fire Department the opportunity to collect taxes for a service that they are currently providing. County Manager David Dear explained that the decrease in insurance
premiums for property owners due to the lower insurance rating will be more than the additional taxes they will be paying. He felt as though this is a win/win for both parties.

Chairman Hutchins opened the public hearing at 6:22 p.m. (notice of this hearing was accomplished in accordance with the General Statutes in The Shelby Star on December 24 and 31, 2010).

Hearing no comments, Chairman Hutchins closed the public hearing at 6:22 p.m.

**ACTION:** Eddie Holbrook made the motion, seconded by Ronnie Hawkins and unanimously adopted by the board, to increase the Fallston Volunteer Fire Department Service District from 5 to 6 miles effective January 1, 2011.

**REGULAR AGENDA**

**FIRE PROTECTION CONTRACTS**

NC General Statutes require that when tax dollars are paid to a volunteer fire department, then any contract between the volunteer fire department and a municipality for the provision of fire protection in the municipality must be approved by the Board of Commissioners. Over the years, various contracts have been executed between volunteer fire departments and municipalities. Attorney Fite explained, some of these may have been approved by Commissioners in the past, but to be safe, she asked that all of the contracts be approved again. Attorney Andrea Fite asked that the following contracts be approved:
