PUBLIC HEARINGS

ECONOMIC DEVELOPMENT ~ INCENTIVES FOR PROJECT LAKEWOOD

Kristin Fletcher thanked Commissioners for their continued support of Economic Development in Cleveland County. Project Lakewood plans to construct and equip a 100,000 square foot facility in Phase I of this project. The project will be located in the Foothills Commerce Center in Shelby, North Carolina. The company will create $26 Million in new investment and 177 jobs during the first five years of the agreement.

She briefly described the incentives as follows:

1. A one-time grant of $50,000 for site preparation. Grant shall be made to the Company within fifteen days of commencement of grading at the Project site.

2. Each year of the seven year grant term, the county shall make an incentive grant payment to the company in an annual amount equal to sixty five percent (65%) of the County ad valorem taxes (with the current rate being $0.72 per $100.00 valuation).

Commissioner Hutchins asked Ms. Fletcher if the average wage for the company exceeded the average wage for the county to which Ms. Fletcher replied, “Yes”.

Chairman Hawkins opened the public hearing. (Public notice of this hearing was accomplished in accordance with the mandates of North Carolina General Statutes, with a legal advertisement published in The Star on September 20, 2013.)

David Dear, Cleveland County Economic Development Partnership commended Commissioners for their vision to create a business park. If there were no business park, this project would not be locating to Cleveland County. He described Project Lakewood as an “ideal tenant” and explained this is just Phase I of a planned two phase development that will be built over the next 3-5 years.

Robert Williams, 814 E. Stagecoach Trail Lawndale, after hearing the average wage for the company, spoke in support of the project.

Hearing no other comments, Chairman Hawkins closed the public hearing.

ACTION: Johnny Hutchins made the motion, seconded by Susan Allen and unanimously adopted by the board, to approve the incentive agreement as presented (copy found on Page ____ of Minute Book ____).

Commissioner Allen asked Kristin Fletcher to explain the recruitment process to show how tax incentives are not the only incentives that brings new industries to Cleveland County.

Ms. Fletcher shared several other things that come into play when a company makes the decision to locate to Cleveland County including the following:
1. The programs that Cleveland Community College designs specifically for these industries.

2. Ease of doing business and regulatory process.

3. Overall cost of doing business- after the incentives, will this community be affordable?

4. Land- Ms. Fletcher specially thanked Commissioners for developing product.

5. Transportation infrastructure- Proximity to I-85 and Charlotte International Airport.

6. Access to higher education and tuition credits from Gardner-Webb.

Commissioner Holbrook, as the Economic Development Liaison, also added that the water and energy rates and supply are big factors when it comes to recruitment.
